Career Objective

Motivated Computer Science and Engineering student with strong programming, problem-solving, and software development skills, seeking an entry-level opportunity to apply technical knowledge in building scalable and innovative solutions. Eager to contribute to organizational success while continuously learning and growing as a software professional.

Academic Qualifications

Bachelor of Technology in Computer Science and Engineering **2024 – 2028**
Trinmala Engineering College, Jonalagadda, Narasaraopet CGPA: 8.24

Board of Intermediate Education **2022 – 2024**
Narayana Junior College Percentage: 90%

Secondary School Certificate (SSC) **2022**
Vasavi Vidya Niketan Percentage: 95%

Technical Skills

Programming Languages : Python, C, Java
Web Technologies : HTML, CSS, JavaScript
Tools : Git, GitHub, VS Code
Core Concepts : Data Structures, DBMS

Projects

@Home | ***React.js, Node.js, Express.js, PostgreSQL, Google Gemini AI*** Sep 2026
Developed a full-stack platform empowering women through skill-based earning and employment opportunities. Built a digital marketplace for women to showcase skills, discover opportunities, and connect with relevant work. Integrated Google Gemini AI for personalized skill-based recommendations and opportunity discovery. Developed secure REST APIs with Node.js, Express.js, PostgreSQL, and JWT-based authentication. Designed responsive React.js interfaces for an accessible and user-friendly experience.

Aid Network | ***React.js, Node.js, Express.js, PostgreSQL, Google Maps API*** Sep 2026
Developed a full-stack emergency healthcare platform connecting users with rapid medical assistance in remote and accident-prone areas. Implemented location-based emergency support and medical camp coordination using Google Maps API. Built secure REST APIs with Node.js, Express.js, and PostgreSQL to manage emergency requests, doctors, and medical camps. Designed a responsive React.js interface for efficient emergency coordination and accessibility.

Certifications

- GenAI Powered Data Analytics Job Simulation — September 30th,2026
- Introduction To Cyber Security — May 17,2026
- Next Gen Technologies — May 21,2026
- Technology in Logistics — May 20,2026

Soft Skills

- Good Communication Skills
- Enthusiastic about learning new technologies
- Freindly nature with others
- Positive in nature

Strengths

- Quick Learner
- Adaptability
- Empathetic
